

CHANGE OF PLANS: Webelos Jambo 2008 is cancelled

It is the goal of the Great Smoky Mountain Council to consistently provide a selection of programming that is relevant and challenging for our Scouts. Consequently, we have made the decision to cancel Webelos Jambo 2008 so that we can provide an even better event in 2009.

We would like to encourage you all to attend Spring Family Camp April 19-20 at Buck Toms. The theme this year is Cubs on Target and centers around everyone's favorite activity – shooting sports. We have no doubt that this will be one of our best Family Camps and we would love for you and your family to attend. You will receive detailed information on Spring Family Camp in the next couple of weeks. You can also keep up with all current events at www.bsa-gsmc.org.
